## EDUCATION

### Bachelor of Science - Computer Engineering

August 2020 - May 2024

University of Iowa

Iowa City, IA

- Pursuing a major in Computer Engineering with a focus in Software Engineering
- Pursuing a minor in Mathematics
- Dean's List
- 3.7 GPA

## NOTABLE COURSES

- Single and Multivariable Calculus
- Linear Algebra and Differential Equations
- Discrete Math
- Data Structures and Algorithms
- Software Design

## ACTIVITIES

- Hawkeye Marching Band
- Iowa Pep Band

## SKILLS

**Programming Languages** Python | Java | Kotlin | C++

**Technologies** GitLab/GitHub | Android | XML | InVision | LaTeX

## WORK EXPERIENCE

### State Farm

May 2022 - Present

Software Engineer - Intern

Bloomington, IL

- Work on the State Farm Mobile App for android
- Collaborated with the design team to review specifications for new features and changes
- Verified logic of utilities in multiple modules
- Individually assessed feature changes for complete platform functionality
- Created a new section in the app to streamline user experience in handling confidential documents
- Rewrote obsolete Java files in new Kotlin files to increase reliability and support for new features

### Engineering Tutoring

January 2022 - May 2022

Tutor

Iowa City, IA

- Tutored Calculus, Linear Algebra, and Differential Equations
- Worked in a group setting with others to help guide students on homework
- Organized and facilitated exam reviews for courses to various sized groups of students
- Attended workshops to learn and improve our abilities to work with others

## NOTABLE PROJECTS

### Resistor Color Code Calculator

June 2022 - Present

Android App

- Independently built an android app to allow users to find the resistance of a resistor or to find the resistor from the resistance
- Utilized Kotlin and XML with android studio to build the app
- This is currently on the Google Play store and has over 500 downloads
- [Here](#) is a link to the Google Play store listing
